ORDER:

In the letter first read above, the Director of Animal Husbandry has reported that the population of cross breeds, graded animals is increasing due to Artificial Insemination services provided under breeding operations at the doorstep of the farmer and also due to induction of the high yielding milch animals under different development schemes taken up by the Government. These high valued animals require greater attention towards healthcare and they are being maintained mostly under semi intensive / intensive management systems to get higher returns to the farmers. The climatic conditions are also making the livestock susceptible to the emerging diseases and the livestock are facing major productive and reproductive problems. In order to provide qualitative veterinary treatment, the budgetary provision towards Drugs and Medicines need to be enhanced. The Director of Animal Husbandry has requested the Government to provide additional Budget under **Non-Plan** in relaxation of quarterly regulations to meet the requirements.

2. The proposal of the Director of Animal Husbandry has been examined and in pursuance of the Budget Release Order issued in the G.O. second read above, Government after careful examination, hereby accord administrative sanction for an amount of **Rs. 20.00 Crores** (Rupees Twenty Crores only) to the Director of Animal Husbandry, Hyderabad in relaxation of Treasury Control Orders and Quarterly Regulations Orders pending provision of funds by obtaining Supplementary Grants during the year 2010-11 for Drugs& Medicines and Materials & Supplies (Veterinary Equipment) under the following Heads of Account (Non - Plan).
